

Certified Option Trade

Course Overview:

There are a plethora of benefits to becoming a certified options trader! Options traders realistically make 10% to 50% or more profit per trade, hence this is one of the most exciting fields to make a career out of. The test we've created for you is designed to help you decide whether you are ready for a career in options trading. The test will check your aptitude with questions related to the options market, managing execution and risk of complex trading portfolios. In addition, there may be questions related to risk free interest rate, stock dividends, strike price, and volatility, etc.
